LIGHTING CAMERAMAN

I am an experienced TV Lighting Cameraman based in Central Scotland.

I am available to work individually or as part of a crew all over the UK or abroad. I have 25 years' experience in broadcast television, with a strong technical background. Creative, professional and easy to get along with, I bring my skills and enthusiasm to every production making me an asset to your crew or production.

I'm familiar with a wide range of Cameras / Formats and recent work includes shooting on Sony F55, C300/500, Panasonic P2.
